SB 2490 - HB 2637

February 16, 2018

SUMMARY OF BILL: Authorizes board of commissioner members of municipalities incorporated under a city manager-commission charter to attend meetings, vote, and be counted present for purposes of quorum via videoconferencing.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- This legislation does not require any municipalities incorporated under a city manager-commission charter to acquire videoconferencing technology.
- Any cost associated with conducting a meeting by telephone, television, software, or other electronic means is estimated to be not significant.
- The commissioners of municipalities incorporated under a city manager-commission charter are paid salaries as outlined in Tenn. Code Ann. § 6-20-204 and may otherwise be established annually by the board of commissioners; authorizing videoconferencing will not impact compensation of commissioners.
